What Is the Year of Jubilee 2025?

What Is the Year of Jubilee 2025?

The Year of Jubilee is a biblical concept deeply rooted in Scripture and Tradition, offering the faithful a time of renewal, forgiveness, and celebration.

When Is the Next Year of Jubilee?

The next Catholic Jubilee Year is already here! It began on Christmas Eve (December 24), 2024, and ends on January 6, 2026, the Solemnity of the Epiphany of the Lord. During this time, special blessings (including indulgences) will be available to the faithful who participate in designated pilgrimages, prayers, and sacraments.

Jubilee in the Bible

It originates from Leviticus 25:8-55, where God commands the Israelites to celebrate a year of Jubilee every fifty years, a time to rest the land and its agricultural workers, release slaves, and return land to its original owners. Key passages include:

- **Leviticus 25:10:** "Proclaim liberty throughout all the land to all its inhabitants. It shall be a jubilee for you."
- **Isaiah 61:1-2:** "The Spirit of the Lord God is upon me . . . to proclaim the year of the Lord's favor."
- **Luke 4:18-19:** Jesus applies Isaiah's prophecy, linking the Jubilee to his mission of salvation.

These verses underscore themes of freedom, mercy, and redemption, which remain central to the Catholic faith and life.

If there would be a better time for you, feel free to come, bring your tools, weed & rake when it works for you. Questions? Call Andrea (360)391-0863.

Altar Servers!!!

Altar serving is amazing way for young Catholics to be involved in the church. It's important to get Catholic youths involved in the parish, as it can help prepare them for their sacraments, by giving them an opportunity to have a closer look at our faith and how our community works together to keep the faith alive. Ages 7 and up are welcomed to join the Altar server's at Immaculate Conception parish.

If interested in altar serving, please contact Head Altar Server **Sierra Gonzales**. (altar serving lessons would be done after Saturday evening mass)
