## What Is the Year of Jubilee 2025?

The Year of Jubilee is a biblical concept deeply rooted in Scripture and Tradition, offering the faithful a time of renewal, forgiveness, and celebration.

In the Catholic Church, Jubilee years traditionally occur every twenty-five years. These are known as **Ordinary Jubilees** and are times of special grace, forgiveness, and renewal. The last

Ordinary Jubilee was in the year 2000, which marked the two-thousandth anniversary of Christ's birth. Now, in 2025, we celebrate the

Jubilee theme *Pilgrims of Hope*.

Participating in a Jubilee Year includes several spiritual practices:

1. **Visiting designated holy sites**, such as the four major basilicas in Rome or local churches in your dioceses, symbolizes a journey of faith and conversion.
2. **Sacrament of Reconciliation:** Confession is encouraged to receive God's forgiveness and grace, as emphasized in John 20:21-23; and—along with receiving the Eucharist—this sacrament is necessary to **obtain** an indulgence.
3. **By fulfilling certain conditions**, including prayers, a pilgrimage, or acts of charity, Catholics can receive indulgences, which reduce or eliminate temporal punishment for sins.
4. **Acts of Mercy:** Engaging in corporal and spiritual works of mercy, like feeding the hungry or comforting the sorrowful, reflects Christ's love.
5. **Prayer and Reflection:** Deepening one's prayer life and reflecting on Scripture strengthens one's relationship with God.

### Altar Servers!!!

Altar serving is amazing way for young Catholics to be involved in the church. It's important to get Catholic youths involved in the parish, as it can help prepare them for their sacraments, by giving them an opportunity to have a closer look at our faith and how our community works together to keep the faith alive. Ages 7 and up are welcomed to join the Altar server's at Immaculate Conception parish.

If interested in altar serving, please contact Head Altar Server **Sierra Gonzales**. (altar serving lessons would be done after Saturday evening mass)
